

Prof. Vikram Deshpande joined the faculty of Engineering at the University of Cambridge as a lecturer in October 2001 and was promoted to a professorship in Materials Engineering in 2010. He held a Visiting Professorship at Eindhoven University Mechanical Engineering Department, The Netherlands from 2009 to 2017 and was a tenured Associate Professor at the University of California, Santa Barbara (UCSB) in 2007-2008. He has written in excess of 240 journal articles in the experimental and theoretical mechanics solid mechanics with an h-index of 64. He serves on the editorial boards of a number of journals in mechanics and biomechanics including Journal of the Mechanics and Physics of Solids, Molecular and Cellular Biomechanics, Modelling and Simulation in Materials Science and Engineering and the Proceedings of the Royal Society A.
